 - Email it to westboroughseniorportraits@gmail.com & put your name in the Subject of the email, please! Thanks!
 - Images must be JPEG files, 2.5 x 3.5 @ 300dpi (larger size/resolution is fine; we can reduce!)
 - Images need to be vertical, please! All portraits in the book are vertical.
 - The decision to publish images is at the discretion of the editors of the yearbook. Please be tasteful and follow the school dress code.
- If we haven't received an email from you by Jan. 1 with a portrait, we will use what Lifetouch provides to us.

FINAL NOTES:

- We want to include as many seniors as possible in the book! Please send us your candid photos that you take through the year; we'd love to consider them for the book! You can email any and all pics to us at candidswhs@gmail.com
- Please help us make an awesome book - we don't want quotes that reference anything inappropriate, and we want all senior photos to be professional-looking images that are fit for this section. We reserve the right to question or refuse any content, and we will reach out for substitute materials if needed. Common sense!!!
